PRESS RELEASE

**the 1st milestone of the ArcheON INTERREG project
has been successfully accomplished**

What happened up to now

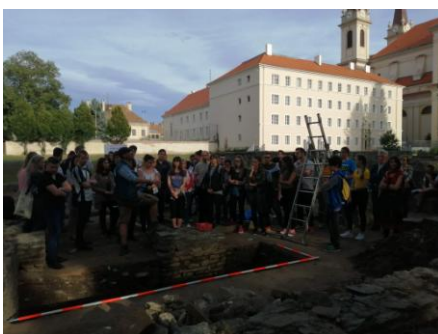

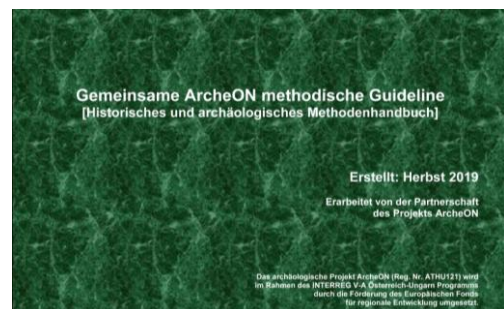

as tools for the communication joint project communication strategy have been developed, unique banners and roll-ups produced, a target group specified project- info flyer and a facebook site have been created.

A full-day ArcheON project kick-off workshop with a press conference was held on 10.10.2019 in Hannersdorf (Sámfalva). The workshop included a meeting of the project's scientific advisory board, who examined the project activities in detail. Following the kick-off workshop, an international press conference was held.

As the basis of the scientific activities within the project a common Methodological Manual (historical and archaeological Methodological Manual) has been developed.

The manual integrates the unique and diverse knowledge / expertise of the project partners and strategic partners involved in the project.

The excavation works in the garden of ruins in Szombathely have been initiated in autumn. The ArcheON archaeological open day was held for children on 26.09.2019 and for adults on 27.09.2019 where participants had the opportunity to explore the prehistoric, ancient and medieval pasts of the environment, get an introduction to archaeological work, and try it under professional supervision.
