

QUALIFIKATION PROFILE

TRUST PERSONS

"Ambassadors" for the promotion of age-friendly and caring communities within the EU project Co-AGE

Description:

Trusted persons are contact persons and a communication hub between the community, the elderly and their relatives on site, regional service facilities and volunteers. As part of the training, they are empowered to develop and implement innovative approaches in their home community to promote the quality of life of older people through voluntary engagement.

Content:

Project information, area of activity of the confidants, importance of an age-friendly and caring community, communication, teamwork, leadership skills, communication media and networking, age and aging, health and social system, organization of care and care, community structures and offers, new needs-based opportunities, volunteering, management of mini projects, implementation concept for your own community.

Training period:

January 2021 - July 2021

Methodology:

1 workshop at the BFI Oberwart, at the beginning of the training (1 day)
1 webinar, e-learning (32 units)

What awaits me:

Free, compact, cross-border training in the form of workshops and online offers to prepare and participate in the "Co-AGE" project. Exchange of experience with trusted persons from other regions and project partners.

Target group:

People who are interested in a new task to help shape and develop volunteer work for the older generation in their community and who want to use the opportunity to train as a confidant.

Requirements:

- ✓ Interest in working as a confidant
- ✓ Interest in innovative training
- ✓ Social communication skills
- ✓ Teamwork and organizational skills
- ✓ openness and tolerance
- ✓ A sense of responsibility
- ✓ Willingness to independently develop e-learning content
- ✓ Good networking in the community
- ✓ Mobility
- ✓ trustworthiness and confidentiality
- ✓ Place of residence in the project area and selection interview with project partner
