

## Invitation to the first EduWood Workshop

Location: online meeting

Duration: 9:00-14:00

Dear Partner!

We cordially invite you to our first EduWood workshop!

Take advantage of the benefits offered by the EduWood project! You will have the opportunity to expand your sector network, discover new collaborating partners, while increasing your experience and knowledge by visiting our event.

The event is part of the EduWood ATHU166 project. The aim of the one-day workshop is to define the professional baseline requirements for project activities, the quality criteria expected, the tools to be used, through an exchange of experiences and views with project and strategic partners.
