

# FACT-SHEET

## Small-scale projects

**Interreg**  
AUSTRIA – HUNGARY

Co-funded by  
the European Union

### LEGAL BACKGROUND

- 1059/2021 Interreg Regulation (Art. 24) projects of limited financial volume are mandatory for the Interreg A programmes
- Interreg Programme Austria-Hungary introduces small-scale projects (open call system, decision on small-scale projects approximately two times a year by the Monitoring Committee)

### PARTNERSHIP

- At least one Austrian and one Hungarian partner
- Overall maximum 3 partners
- Adding strategic partners to the partnership is not allowed
- Possible beneficiaries: partners located in programme area and and/or such that have legally defined competences or field of function for certain parts of the area.

### BUDGET

- Project size (total budget) must be between 25 000-200 000 €
- Extensive use of simplified cost options (SCOs)

### TIME-PLAN

- Maximum project duration is 18 months

### ACTIVITIES

- Organised in one work package
- Only activities with a cross-border impact (no one-time actions in only one direction of the border) e.g. preparations for digital processes, training, seminars and courses, cooperation between microregions, municipalities, schools, sports clubs, organisation and realisation of summer schools, cross border events, etc.
- No investment in infrastructure and work
